Parks and Recreation Committee Meeting Minutes

05/31/2017

A meeting of the Parks and Recreation Committee was held Wednesday May 31st 2017 at the South Point Park Community Building at 6:00 PM.

Committee members present were Steffen, Burton and Rigsby. Also attending were Hickok, Martin and Kilpatrick.

The meeting was called to order at 6:00.

Jack Hickok gave an overview of improvements completed at the South Point Community Building and Park area. These included the new pool pump, sidewalks, sound system, and removal of unused roll up doors, gutter repairs and replacements, material bunkers and other general maintenance items.

Items yet to be completed include trail resurface, Tree removal and new tree planting, electrical work at pump house, painting the dock on the pond among other items.

Discussions of Parks and Rec. programs along with swim team issues were had with no current changes recommended until further discussion.

On Line registration was discussed. It has been mostly successful but a few problems still exist and are being addressed.

The Committee finished up the meeting with a walk around tour of the park area to review current condition and discuss pending improvements.

Meeting adjourned at 7:45 PM

Minutes submitted by Jack Hickok Director of Public Service.
